

SunshinePOINTS™

Starting November 1, 2018

We are bursting at the seams with excitement over this news! Extra Awards® has been replaced with our new SunshinePoints™ credit card rewards program. More ways to earn points, better redemption values, easier access to redeem your points. What's not to love?!

Don't worry, you won't lose the points you've already accumulated. Your Extra Awards® points automatically transferred to our new SunshinePoints™ program.

What's not changing? Points. You'll still earn 1 point for every \$1 you spend in purchases when you use your First Credit Union Visa® Rewards credit card to pay. Just like before, no need to "opt-in" for special offers. Every purchase, every day, large or small, earns SunshinePoints™ making your purchases really pay off.

What's new?! Bonus points. Simply use your First Credit Union Visa® Rewards credit card at participating merchants, both in-store and online, to earn bonus points. Find participating merchants when you login to online banking at firstcu.net and click the new "Rewards" tab. No separate rewards website - simple is so much sunnier!

Redeem your points faster! That's right, the redemption value of your points has increased. Now only 2,500 points are needed to get a \$25 gift card or cash back. Browse and redeem points simply by logging in to online banking.
